September 2007
of our semi-occasional updates

Dear friends,

This is our first prayer letter together, and so it's hard to know where to begin. So much has changed in the last little while. And what with marriage round the corner, a base relocation and the hassles of selling and renting a flat, change seems to be a state of being at the moment.

Sometimes its not easy to know the presence of God amidst all the busyness. But we **praise** Him for a number of things today:

- Four nights of **events in August** were very successful -
 - A **Praise Night** on 12 August had a great spirit and we felt that God was really touching hearts
 - Our **Festival Fringe show** "Gospel According to Hollywood" went down a storm, with great attendance each night, and the Gospel clearly proclaimed in (very funky) song, as well as encouragement to look deeper in the wording of the programme.
- **Redecoration** of Colin's flat was very hard work, but went smoothly.
- Thanks for the **website work** from Colin's major client, which continues to be God's provision, enabling the flexible approach needed to run the ministries. Colin has worked for them for eight years now in total, and it continues to be an amazing and enabling blessing!

We would appreciate **prayer** for:

- The **next events** -
 - The **wedding** on 13 October will be a big praise and worship event with the Exile Chamber Orchestra and the Origin band and choir. If you are nearby, please come...
 - **City Praise** Edinburgh on 14 October at Barclay Church in Edinburgh, after which we will be away on honeymoon for two weeks
 - Fundraising **Chamber Concert** on Saturday 10 November at Greenside Parish Church, Edinburgh. This will feature the Exile Chamber Orchestra in a programme of Beethoven, Mozart and Mendelssohn.
 - **Newcraigs Praise Night** on Saturday 17 November
 - **Christmas Carol Concert**, Saturday 8 December at St George's West Parish Church, Edinburgh
 - **Not A Silent Night**, Sunday 16 December at Shekinah City Life Centre, Mitchell's Plain, Cape Town
- The coming **base relocation**. Colin in particular will still be very much involved in the ministry of Origin Scotland, and will be back in the UK regularly, not least to meet with work clients.
- Norma's **visa and work permit** applications

The road ahead is a little uncharted for us. But we have been encouraged by the promise of God to Jeremiah 'plans to prosper and not to harm you, plans to give you a hope and a future.' He hasn't told us what the future holds, but He has told us He knows what He is doing. And that's enough for now.

In Him,

Colin & Norma
